

Attachment To Player Review Summary

1. No Player will be discriminated against if they are involved in another sport and cannot attend training on designated training nights.
2. To alleviate this problem suggest to the player he may be able to train with another BLJFC team in his age group or one year older if they can train on a different night.
3. If a player is unable to attend training and does not inform the coach, that player may be considered ineligible for minimum playing time as per the club policy. If this occurs it is to be recorded on the player review summary.
4. If a player is to receive minimal playing time because of disciplinary reasons his parents are to be informed and this is also to be recorded on the player review summary.
5. When any of these incidents occur they are to be recorded on the copy of the match sheet and given to the club registrar for filing
6. Any player from the 13 – 17's age group who receives a suspension throughout the season will also receive an extra one week suspension from the club.
